Notice of Fee Increase on January 1, 2003

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after January 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on January 1, 2003. See Revision of Patent and Trademark Fees for Fiscal Year 2003; Final Rule, 67 Fed. Reg. 70847, 70849 (November 27, 2002).

The current fee schedule is accessible from: http://www.uspto.gov/main/howtofees.htm.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of the fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after January 1, 2003 (or mailed with a certificate of mailing on or after January 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

Allowance

- 1. Claims 1-7, 10-14, 23, 24, and 26 are allowed.
- 2. The following is an examiner's statement of reasons for allowance:

The art of record most closely anticipating the claimed invention is Kaplan (U.S. Patent No. 5,963,916). Kaplan discloses a method of disseminating targeted information to remotely located clients (see at least Figs. 2, 35-57; col. 9, lines 16-35; col. 11, lines 37-39; col. 12, lines 48-51); however, Kaplan fails to teach or suggest the specific provision of digitized and cataloged product information as well as sponsor information or attract videos by "creating designated files for distribution to one or more end clients by combining into a single file said content providers' files, including said digitized and cataloged product information and said at least one of sponsor information and attract videos, and at least one attribute assigned for each content provider file" and then "transmitting said designated files to said end clients remotely disposed with respect to said one or more databases, wherein each end client receives only its designated files." These limitations are recited in independent claims 1 and 10; therefore, claims 1-7, 10-14, 23, 24, and 26 are deemed to be allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
